# NEXT EVENT

## Aussie Muscle Christmas Function

When: 6<sup>th</sup> December 2009

Where: Croydon Lodge

Starting with a Car Trial then heading back to the Lodge for a visit from Santa (for the kids), refreshments and a BBQ tea. There will also be a bouncy castle setup outside to keep the children busy!

The Car Trial starts at 1:00pm with the first car leaving approx. 1:30pm. We expect the 1st car to be back around 3:00-3:30pm. We have some great prizes to give out for this! Cost for this event is \$15 per vehicle.

The Lodge will be open from 1:00pm for anyone that wants to keep the committee members company while the car trail is on! You are also welcome to bring your kids down at any time...

Santa will also be making an appearance this year again and will be giving out gifts for the kids.

The BBQ will be free for paid members and their partners, while non-members/guests the charge will be \$5 a head. Children are free. Meal tickets will be available throughout the day.

This promises to be a great day out for all club members and the whole family, so make sure you come along.

We would also like to get an idea of numbers so if you're thinking of joining us please email the club: [ozmuscle@ispnz.co.nz](mailto:ozmuscle@ispnz.co.nz) and let us know, thanks.

## Past Events News

---

On the weekend of the 18<sup>th</sup> July, our annual overnighter was held, this year we headed though to Hawea stopping along the way at Alexandra for lunch and then to Lowburn for a few photos, reaching Hawea about 4.30pm. Was a great turnout with 14 vehicles. A late night for some..... 3am, for others difficulties with opening doors resulted in one participant purchasing a new door in the morning only to find the keys in his pocket where they had been the previous night.

There was interesting news the following morning with the road being closed between Alex and Roxburgh, but a stunning sunny day made sure that it was reopened in time for the club to travel home.

## Committee News...

We have decided that future (not the next one but the one after that) newsletters will now be sent via email - don't worry though, if you don't have an email address on our database you will still receive one by snail mail or if you do have an email address but still prefer to get one in the post flick us an email and let us know your preference.

And just on that note, if your contact details have changed since joining the Club please let us know so we can keep you informed of all the exciting new things happening.

We would also like to welcome Brad Sayer to the committee, he has been busy designing and implementing the new website. ([www.southernaussiemuscle.co.nz](http://www.southernaussiemuscle.co.nz)) It's full of pictures from past events, a calendar of upcoming events and general Aussie Muscle related content, it will be maintained on a regular basis so if you have any comments or would like anything added just email the club. So make sure you check it out!
