

A big thank you to all the members who joined us on the Winter Overnighter to Hawea this weekend was great to see so many old and new members out and about in their cars.

From all the feedback everyone had a great time and everyone managed to get there without any breakdowns which is always a bonus.

First stop at Lumsden after dodging a few 4 legged obstacles on the way, included a 10 minute quiz challenge organised by Mary who did a great job and stumped many of us with the questions.

We had a draw between Brad Newlands car load and Stephen & Cherie Stewart who won with the decider question (and might I add they knew ALL the words to Prince of Bel Air theme song!!!) Well Done!!

The quiz and answers are attached if interested.

This was a very lucky stop for Stephen & Cherie as they also scored the publicans choice for their Valiant Pacer

Onward to a quick unscheduled stop at Garston surprised to see the pub open for a change.

Lunch at Frankton was very welcomed and then onward to Bannockburn Hotel and a chance for another catchup and chat.

Publicans Choice here was Jade Latta for his HQ Holden

Last card for poker hands were dished out at the next stop Luggate Tavern - with many not very confident in having winning hands.

A short trip to our final destination of the day Lake Hawea where once settled into our rooms caught up again with other members at the bar.

Prize Giving held after breakfast the next morning where most managed to get to.
