

PUB CRAWL RUN

21ST November 2020

Despite the wet and windy weather we were rapted 19 cars and 127 people who ventured out for the run and all congregated at Pioneer Tavern at Edendale our first stop for a quick drink and handing out of maps in the dark due to a power cut.

We then carried on to Tokonui Tavern where luckily power was on and we had lunch and time for another catch up. Big thank you to the ladies there that did a fantastic job getting all the meals out for us and also to John who gave the club a discount on all meals and drinks – much appreciated by all the members.

Off we went and travelled down the beautiful scenic Catlin roads to Owaka Pub, where one vehicle needed a little help from Mary to make it to the carpark (if only they had a mechanic in their car!!LOL)

Kaka Point was our next stop and despite the rain and wind someone decided take a dip to cool off in the sea (no names mentioned...) while the rest of us made good use of the roaring fire inside to warm up

After a few more drinks and catchup we headed off to Rosebank Lodge Balclutha. Another member needing to be towed, thank you to local enforcement officers for keeping members safe on the road while checking out the car (one time they were happy to have them flashing their lights behind their car ae Kylie)

Final stop Clinton - some had made their way home but for rest of us was a chance to have a wee dance to the jukebox music

Thank you for everyone who came along and made it an enjoyable day with no problems and like all club events good to see once again members helping members when having car issues. A big thank you to Mary for organising the day and think it may need to be a regular on our event calendar. Some might also be pleased to no longer hear your whistle Mary but worked well on the day!!

See you all on the next run which will be our Christmas Run on December 19th – **(please note change of date)** watch out for emails and facebook posts for further details
