

## Muscle Mania 10<sup>th</sup> April 2021

A very calm mild morning turned out to be very wet wet wet!

A big thank you to everyone who turned out with their vehicles and those who came down for a look. We had 44 vehicles entered this year.

All the entry fees were again donated to this years gate volunteers, The Waimea Plains Pony Club. These ladies stood in the rain to the end to collect gate donations so definitely earned it today, many thanks.

Thank you to Tracey Hicks, our mystery judge this year, for taking time out of his busy schedule to choose the winners of the day and present their trophies.

The winners were:

Best Ford: David Gerken Ford Falcon XL

Best Holden: Jack Stevenson Holden Monaro

Best Valiant: Chris Labes AP6 Vaiant

Peoples Choice: Brent McDonald- Ford Falcon XP

Scratchie Winner: Mary-Anne Barclay

Thank you to the Town & Country Club for allowing us to host our car show in their car park and letting us shelter in the bar for prize giving.

Also, a big thank you to our committee for organising another great event and our parking helpers. We are grateful for the help of club members on events like this.

Hope those who went on the mystery cruise enjoyed it and ended the day with sun.

Our next event will be the winter overnighter so keep any eye on your emails for further details.
