

Lunch Run Pub Crawl

21st May 2022

We met at Croydon Lodge Gore with 9 cars in total and around 50 passengers.

Jordy Kelly got off to a slow start after some wiring issues which he resolved before we all headed off to our first stop, Clydevale Tavern.

What a great little pub with awesome hospitality. The publican even donated a bottle of Baileys as the publicans choice for best car, much to Bruce and Paula's delight, they were happy enough with the certificate!!

Terry Haggert won the members draw receiving a \$50 fuel voucher and Jan Murphy won the Scratchie Board Raffle with her lucky number.

After a drink and a catch up we then set off to Lawrence Pub for some lunch and more drinks.

Jan Murphy won the second Scratchie Board Raffle with yet another lucky number!

Bruce & Paula Malcolm took out Publicans Choice yet again!

From there we then made our way to Beaumont meeting up with Bushy's (Regan McLeod) valiant who joined in the run a little late but better late than never!

After a few more beverages and a little dancing by some warmed up members we headed off to Waikaka Pub but not before Paul Newall took out Publican's Choice at Bowmont Pub.

And Kerrie-Ann Perry won the last Scratchie Board Raffle also drawn at Bowmont Pub.

Waikaka welcomed us with a warm fire and great southern hospitality and chose Bruce and Paula Malcolm as Publicans Choice making this their 3rd win for the day!!!

After a few more yarns we headed to our last destination Riversdale Pub.

RS Wilson Contracting kindly donated the Spot prizes which were awarded to Bruce & Paula Malcolm for winning publican's choice 3 times, and Jordan Kelly with Hot Mustard winning the hard luck prize for his slow start to the day. Jordy also took out Publicans Choice at Riversdale Pub.

Another very enjoyable car run and despite the wet weather we all had a fantastic day out!

Bring on the next one.

Thanks to everyone who attended, especially those who purchased raffles and helped out throughout the day.
